

Item Description

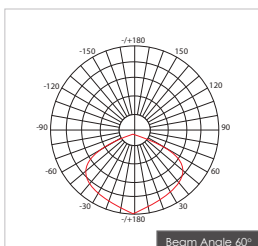

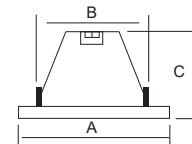

- Mounting Type-** Recessed
- Housing-** Die-cast Aluminum
- Diffuser-** Opal PC
- Reflector-** Aluminum
- Life Span-** > 50,000 Hrs (Ta = 30°C LM70)
- Option-** Non Dimmable / Dimmable DALI / 0~ 10V/ Triac
- Standards-** EN60598-1 / EN60595-2-1

Objective

Flash is a range of luminaires with led Cob, recessed mounting with the flap that allows easy integration in any space, presenting a smooth and uniform finish. High performance and longevity, low churning and homogeneous illumination along its surface are its main characteristics.

The focal length between the led and the diffuser allows a significant reduction of glare, which makes it an ideal product for use in commercial spaces.
