Objective

Compared to traditional wall sconces, Modern wall-mounted LED lights would pay more attention to create unique design and make customers feel comfortable. Our wall-mounted lamps come with a smiley-face design that will let you love it at first sight.

On the bottom of the LED wall lantern, it is equipped with an automatic water drainage system, which makes the LED wall-mounted lights IP54 waterproof. Even if it is installed in the courtyard, you do not need to worry about it.
